Nichi Bei
Day of Giving
Instructions for setting up your personal peer-to-peer fundraising page
First of all - Thank you!

• On behalf of the Nichi Bei Foundation Board and Staff we would like to express our greatest appreciation to you for taking the time to help us fundraise for the organization.

• Funds raised through the Day of Giving will focus on recovery from cancelled fundraisers and lost advertising, building our staff’s capacity, establish a reserve fund and to build our legacy for future generations, as well as to help fund special projects/funds.

• With your support we are able to continue our mission of keeping our community connected, informed and empowered
Nichi Bei Day of Giving

• The official Nichi Bei Day of Giving is September 6, 2021, however, fundraising has already begun. We will have a special live telecast at www.facebook.com/live on Sept. 6, 2 to 6 p.m.
• The Day of Giving is an interactive fundraising campaign which involves online peer-to-peer fundraising and community engagement through a day long online fundraising event.
• Participants can create individual fundraising pages to help raise funds for the Nichi Bei Foundation, toward certain Nichi Bei programs, or funds (including an Internship Fund, the Wayne Maeda Educational Fund and KW Lee Reporting Fund).
• Participants can also join existing fundraising teams or create fundraising teams with family and friends.
• Matching grants and donations will help to facilitate more individual fundraising.
